Rock City Mills, a large quantity of
sugar, and are now selling it at
a low price. We have also a large
quantity of sugar, and are now
selling it at a low price. We have
also a large quantity of sugar, and

UNION AND AMERICAN BUSINESS
NOTICES.
Save all your rags—cotton, flax, hemp, etc., and
bring them to market, where you can realize three
cents a pound.

The South wears out more such goods than
such North and yet the North wears double the
quantity of rags for making paper. Let this be
remembered. Save the rags to make paper, and there-
by save money.

Pay Passage.
To secure a reply, persons writing this office, on
their own business, should include money to pre-
pay the expected answer. We receive many such
letters, which would amount to a considerable daily tax
if we replied to them.

ELECTION TICKETS.
Persons desiring Election Tickets for the coming
August election, can procure them by applying at
this office. Price, \$2.00 per thousand.

Confederate Court.
Hon. Wm. H. HENRY, recently appointed by
the President of the Confederate States District
Judge for the district of Tennessee, will attend at
the Capitol, at 10 o'clock on Saturday (tomorrow)
for the purpose of organizing the Confederate
Court, as required by the laws of the Confederate
States.

TO OUR PATRONS ALONG THE NASHVILLE AND DECATUR
RAILROAD.—For the present, we are isolated to the
conductor on the accommodation train and other
friends for distributing our paper on the line of the
Nashville and Decatur Railroad, and should our
subscribers fail to receive it, they may rest assured
we are doing all in our power to accommodate them,
rather than detain the paper twenty-four
hours for the mail train. We hope the management
of the road will soon restore the morning mail train,
since it will be a great accommodation to the people
along the line of the road. We hope post masters
at the different offices will make arrangements to
receive the packages for their respective offices
from the conductor, and thus aid us in furnishing our
readers with the news at the earliest possible
moment.

Mountain Rifle Regiment.
All the companies of volunteers who desire to
form a regiment from the counties of Overton,
Tennessee, White, Putnam, Jackson and Macon, will
report forth to JAMES W. McILWAIN, Adjutant Gen-
eral of the State, at Livingston, Overton county,
Tennessee, where he will at once muster them into
the service. Terms, uniforms, accommodations, etc., will
be furnished by the State at that point. But each
company should be armed with rifles, if received.
No companies from those counties will be received
elsewhere until said regiment is formed. The time
of service is twelve months, unless sooner discharged.

CONFEDERATE ARMY ADJUSTMENTS FOR TENNESSEE.
—The Richmond correspondent of the Memphis
Appeal telegraphs that paper under date of the
22d, that the appointment of Brigadier General of
our Provisional Forces has been conferred by the
President upon General ZOLLENGER and CURTIS,
both of whom are already in active service
under appointment from the State. The contin-
uance of these popular and highly qualified com-
manders in their posts will, we feel confident, give
us universal satisfaction.

THE REPORTED VICTORY OF McDOWELL.—Some of
our exchanges are expressing their surprise that
they hear nothing more in regard to Gen. Mc-
Dowell recently defeated at Spotsylvania. The
reason is simple enough, for the whole affair was
out to be a mere—without the slightest apology
for a foundation. Gen. Jackson, of Missouri, who
spoke in our city on Monday night last, has been
within the vicinity of Springfield since the
reported report of the battle, and yet he made no
mention of it. The attack, according to his state-
ment, was not anticipated at the last advance re-
ceived.—Memphis Appeal, July 21.

Captures by the Privateers.
From the New York Times, July 16.
At last accounts there had been dispatched in
search of the two privateers of Jeff Davis, known
to be roaming the coast, the first class steamer
sloop Niagara, from New York; the steam gun boat
Cruiser, in company with the latter: one sloop of
war, the Vengeance, and the two revenue cutters,
Caleb Cushing and George Easton; and three
revenue cutters under command of Commodore
Howard, from this port. The capture of one old
brig and one sloop on Monday night last, has been
attributed to speed, are tolerable certain, provided the
obedient cruisers should be found. Summing up
the depositions thus far, we have the following list
of captures which they have made, and the deposi-
tion made of the prizes:
